Newsletter I

7<sup>th</sup> September  
2018

Dear Parents and families,

## Welcome Back Everyone – Hit The Ground Running!

'Hit the ground running' has been the phrase used with the children and staff this week. We have just come back from a long summer holiday and our routines will have naturally slowed down. This is important because the children were working at a very high level all through 2017-18, which resulted in very good progress and attainment scores across the school from Reception to Year 6 at or above national averages. It is therefore good that we all have had an opportunity to recharge the batteries. However, we also want to the children in this academic year to achieve to the best of their ability and so we are all going to try to hit the ground running and pick up where we left off in July. We are all looking forward to the challenge

### Parents Open Afternoon

This coming **Monday 10<sup>th</sup> September**, there will be a short open afternoon from **3.15pm until 5.00pm**. This is an informal open invitation to parents wishing to come and meet their child's new class teacher if they did not manage to do so at the end of last term and will not require appointments.

### Parents Consent Form – Photos/videos

Attached to this Newsletter will be a consent form for you to give us permission to use photos and videos of your child on the school website and class Twitter feed within their class page. There may also be occasions when the local newspaper comes in to take photos. Like most schools in the UK, we take a common sense approach regarding photos and never link a name to a photo. Many parents like to see photos of their children doing exciting things in school. However, we understand that there are occasions where parents do not want their child's photo on the website and you must indicate that on the form.

Please return the forms on Monday 10<sup>th</sup> September. Thank you.

### Class Dojo

We have decided to introduce Class Dojo as a reward system across the school. Dojos will replace House Points as part of our reward system. House Points will still be used when we put children into 'Houses' for sporting events such as Sports Day. We tried Class Dojo in 4 classes during the summer Term and the feedback from the children, parents and staff was very positive. We think it is another excellent way of linking home and school, as well as giving you an opportunity to ask your child why they got a Dojo. Parents will get 'real-time' notification when a Dojo

is awarded to their child.

### Clubs

Clubs will be starting week beginning 17<sup>th</sup> September. A letter with information about signing up for clubs will go out next week.

### School Uniform

The children all look fantastic in their new school uniforms. Please remember that children should wear the correct school shoes and not trainers in school time. Thank you.

### Curriculum Newsletters

Please look out for your child's class newsletter if you have not yet received it. It will have a breakdown of the curriculum they will be taught this term as well as other important information.

Thank you for your support.

Conrad Fox
