Summer
Newsletter 2

11th May
2018

Inspire Enjoy Achieve

Dear Parents and families,

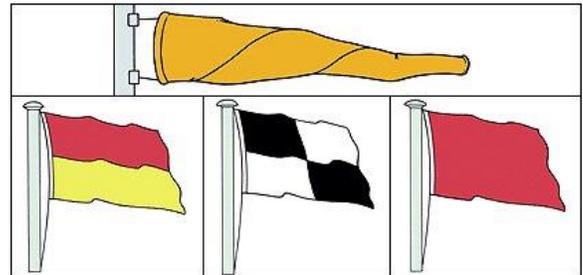

The term is well and truly into the swing of things with lots of exciting things happening. Please check the Diary Dates for all the things planned for the Summer Term. Please note that the Year 6 children will only attend the transition days of the school they will be going to in September. A colour newsletter this week for the flags!

SATs Week

Next week is SATs week in school for our hard working Year 6 children. This is a statutory test of Reading, Spelling, Punctuation and Grammar and Maths, that all children around the country will be taking at the same time. We are very proud of our Year 6 children who have been working hard all year in preparation for these tests. They have been very well prepared and we ask that you make sure that they get a good night's sleep on Sunday, have a good breakfast and tackle these assessments with the same positive attitude that they have shown all year. I am sure that they will all do very well indeed. Good luck Year 6.

RNLI Presentation

KS1 and KS2 had a talk from the RNLI yesterday about how to be safe near water including inland water such as rivers, canals and lakes. Beach safety was discussed and the children were shown the various flags. See if you know what the flags mean and maybe ask your child.

Year 4 Residential to East Barnby

Our Year 4 children went on a residential to East Barnby for three days on Monday 30th April and returned on Wednesday 2nd May. This was the first time our Year 4's had gone on a residential. They enjoyed the challenges of canoeing, climbing and beak scrambling to name but a few of the outdoor education opportunities. Their maturity, behavior and positive attitude was fantastic throughout and we are very proud of them. Thank you to Mrs Tanner, Mrs German and Mr Tanner who looked after them.

School Cycling Event / The Tour De Yorkshire

Last week our annual Go Ride Event took place to link in with the Tour de Yorkshire starting on Thursday 3rd of May until Sunday 6th May.

The weather as always decided to be unkind and the weather forecast was dreadful with 50mph winds and heavy rain. I had to make a call and limit it for the bigger children in Years 3-6 on health and safety grounds. The good news is that we will rearrange another cycle event for EYFS and KS1. I want to thank the team from Richardson's Cycle

Club who helped to organize the event.

Leave Of Absence During Term Time

Can I remind parents that the Government's stance on holidays in term time remains unchanged and that they will, through the Local Authority, enforce a fixed penalty for 10 or more unauthorized sessions (5 days) at school unless it has been authorized by myself as 'exceptional circumstances'.

Walk To School Week - Parking Around School

Yes, I continue to receive complaints from neighbours to the school about parking at the start and end of the day! I know how hectic it can be to get the kids to school in the morning, but in the interest of safeguarding our children and families, can I ask people to drive carefully and slowly and be considerate to other drivers.

Walk To School Week – next week is a national campaign designed to get children and their families to walk to school for the week. Please see the newsletter below. Most school journeys are less than two miles to school and by 8.50am, there is massive congestions around all schools. The ‘Walk Smart’ campaign is designed to get families to see the benefits of walking to school with your child – the obvious ones are better health, developing social skills and good for the environment. Can you think of any more?

Sun Safety

I would like to remind you ensure that your child is practiced in applying sun cream and has their own tube/bottle available in their school bag along with a suitable sun hat. In school we will try to ensure that there is always shade available whenever the children are outside although the playing field is a bit of a problem. Certainly the teachers and lunch time staff will try to remind children to use their sun cream and wear a sun hat.

Go Ride Mountain Bike Racing Event

There is an exciting “Go Ride” Mountain Bike Racing Kids/ Adults event on the 13th May at Filey Country Park. All the information below:

u8/u10/ u12/ u14 /u16 plus Adult & Womens Races

8.45am – 11.45am

12.15pm- 3.15pm

Nursery lunch:

11.45am – 12.15pm

School Ends:

3.15pm

Every Step Counts May 2018

A newsletter to encourage families to walk this week and every week.

From 14th - 18th May, over 1 million children across the UK will be ditching the school run for Walk to School Week. This year's theme is 'Walk Smart!' and encourages healthy and safe travel.

Most of school journeys are less than two miles. At ten to nine in the morning, almost one in five cars on the road are on the school run. There is no doubt that this causes major congestion problems on the routes to school and around school gates.

Walking to school is good for the environment and it eases congestion. On a personal level, there is health, financial and even social benefits to leaving the car at home.

FOR PARENTS

Parents in Tadcaster said this about their walk to school:
Healthy and convenient.
Fresh air and exercise guaranteed everyday.
I like the social aspect- seeing other parents on the way.
We chat while we walk.

Do you walk to school with your children?

Could you walk to school with them?

Its fun, it's good for the environment, and cheaper.

Regular exercise such as walking to school contributes to a healthier life style.

If you cannot walk all the way to school, have you thought about walking some of the way or walking once a week?

For Pupils

Choose the correct words to complete the Green Cross Code:

The Green Cross Code

1. Think first. Find a safe place to _____ where you can see the traffic clearly in all directions.
2. _____. Stand on the pavement near the kerb.
3. Use you eyes and ears. _____ and listen for traffic coming.
4. Wait until it's safe. If traffic is coming, let it _____.
5. Look and listen again. When there is no _____ near, walk straight across the road. Don't run.
6. Keep looking and _____ for traffic while you cross.

pass look listening stop traffic cross

Could you make a pledge to try to walk to school everyday this week and to continue to make a difference all year?

Don't worry if you can't walk all the way or even every day try walking some of the way (Park and Stride) or maybe walking once a week.

I pledge to walk to school every day this week

I will walk to school once a week

WOW!!!

I pledge to.....

What can you do??
