Dear Parents and families,

We have tried to put together a 'Christmas Build-Up' for our children that will give them that Christmas Spirit that is so important in Primary schools at this time of year. It's not been easy, and a lot of thought has gone in to go for the safest compromise. We believe that we have done that, but it is at the cost of a Christmas Fair and face to face Parents Consultations this year. We will have video appointments available over two days (see below).

My staff and I always strive to get the best experience for your children and we hope you will agree and support us on this.

Picking Up at the end of the day

Can I remind parents that in accordance with our Dropping Off and Picking Up Policy, we expect parents to inform the Office if their child is being picked up by someone else. We will not release a child to someone if it has not been confirmed with the Office staff. This is for obvious safeguarding reasons. If your child is in Years 4, 5 and 6, they can walk home on their own if you have filled in the consent form. Thank you.
