Newsletter I
Spring Term

14th January
2022

Inspire Enjoy Achieve

Dear Parents and families,

This is my first Newsletter of 2022 and therefore my first opportunity to wish you all a Happy and Healthy New Year. I am the eternal optimist, and I am certain that this will be the year that we move out of the pandemic and move on with our lives. There is still a lot of Covid-19 about, but the news looks encouraging, showing that the infection rate is declining quite quickly. Although we have had a number of staff off with Covid, we have managed to cover all our classes without the need for further restrictions in school.

We are looking forward to a busy term ahead and you should be receiving your child's Curriculum Newsletter, which will outline what will be covered in class. Clubs have also started this week and are very well attended – please see below for further details. This term, we are also going to be delivering the NSPCC's Speak Out and Stay Safe safeguarding programme (5-11 years old), which is designed to give children the tools to recognise abuse in all of its forms and what help is available to them. This will also link up with Safer Internet day on the 8th February.

Cycling To School and Scooters

Can I remind parents of children wishing to bring bikes and scooters into school that they must complete a Cycling to School Request Form if they haven't already done so. You can get a form from me or at the office. Carefully read the conditions outlined on the form and return the completed request forms to me. I am happy for a child to come to school on a scooter provided that they walk the scooters when inside the

school grounds. Please note that we only allow children in Year 3, 4, 5 and 6 to bring bikes and scooters to school.

As always, thank you for your continued support.
