Inspire Enjoy Achieve

Dear Parents and families,

Internet Acceptable Use (AUP) Policies

We have just updated our Acceptable Use Policies for children and adults who work in the school. This is to ensure that everyone understands and has agreed to the rules on the use technology and being online, both in the school and at home.

Background

We ask all children, young people and adults involved in the life of Hunmanby Primary School to sign an Acceptable Use Policy (AUP) to outline how we expect them to behave when they are online, and/or using school networks, connections, internet connectivity and devices, cloud platforms and social media (both when on the school site and outside of school).

Your child has also signed an AUP, which has been completed at school.

We tell your children that **they should not behave any differently when they are out of school or using their own device or home network.** What we tell pupils about behaviour and respect applies to all members of the school community, whether they are at home or school:

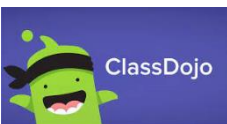

“Treat yourself and others with respect at all times; treat people in the same way when you are online or on a device as you would face to face.”

Internet Safety and how we use the internet has been identified as one of our school’s *Contextual Safeguarding Concerns*. Many other schools also share this concern with their school community.

We will email you a copy of the Parent AUP and a slip for you to sign electronically, for everyone’s mutual convenience and so that we can save on paper and return slips are not lost.

What am I agreeing to?

The majority of our parents have already agreed to let school use images or video of our children on our Website Class Pages, Dojo and occasionally in the press. We do not link names to these images unless we specifically ask your permission for the Newspaper for example.

This agreement goes further, including the use of QR Codes, which when scanned with your phone, will allow you to access an ‘unlisted’ (not freely accessible to the public) You Tube video, showing work in school.

This will allow people to see PE, performances, science experiments to name a few. The AUP will also give parents the opportunity to reaffirm their support for us with our online safety approach, which is supported by links on the Safeguarding section of our School Website.

Road Safety Awareness Campaign

Another of our schools 'Contextual Safeguarding Concerns' is **Road Safety Awareness**. Last week it was Road Safety Week in school and we are using that as a catalyst for a Campaign on Road Safety concerns specific to our school community, for the rest of this term. The School Council and Eco Team have joined forces to organize a Poster Competition to be done by Friday 8th December. They will be creating a video presentation of local 'danger areas' and 'safe areas' regarding roads and traffic to be presented to the school. They will also be working with the Police on Road Safety Workshops for all pupils in school on the 12th December.

Thank you for your continued support,

Conrad Fox

Headteacher

Diary Dates for the Autumn Term 2023

Monday 27 th Nov	- School Road Safety Campaign begins until end of term
Monday 4 th Dec	- Assessment Week in school
Wednesday 6 th Dec	- Whole School Christmas Dinner - Nursery (Butterflies) parents meetings - pm
