		<h2>19<sup>th</sup> January 2024</h2>

## Inspire Enjoy Achieve

Dear Parents and families,

I hope everyone is wrapping up warm as the temperatures have dropped. It will be a good reminder for children to bring wellies to walk to school in, and change into school shoes inside the building. If the snow is not too slushy or icy, then we will probably let those children with appropriate coats, hats, gloves and footwear go outside and enjoy the snow. Who knows, we might not see the white stuff again this winter?

This Spring Term is quite short and is split up into two 5 week half-terms. So we will be packing a lot of learning into these weeks. I hope that you will all have received your Class Newsletter last week, which outlines the work that your child will cover. As always, you can contact your Class Teacher using ClassDojo if you have any questions and you will usually get an immediate response.

### The School Website

Can I take this opportunity to remind parents and carers that our School Website (<https://www.hunmanbyprimary.co.uk>) has a wealth of information about how our **Curriculum** is concept driven, and has a sequenced knowledge and skills framework. Our **Safeguarding** page has a comprehensive list of useful documents for parents to support your understanding of e-safety, which is one of our school's *contextual safeguarding concerns*. There is our **School Brochure, Policies** and information about our **Governing Body** for you to access. You can look at previous **Newsletters**, information about **HunmanBee Hive, Term Dates, School Clubs, and Class Pages** to name but a few.

### Hunmanby pub raises £2000 for primary school and village

I would like to thank Dave Wells and Holly Shaw of the Horseshoe Inn on Stonegate, for donating £1000 to our school after they held their Annual Hoedown Fundraising Event for the village. We have been lucky enough to have had donations from them after previous Hoedowns, which have gone towards a Reading Shed and the school Library in the past. The money that was raised for the school this time was used to purchase additional items to support Early Reading in school.

This was the last Hoedown event for Dave, Holly and Staff, and they will be leaving the Horseshoe after nearly seven years, and 23 years within the trade in Hunmanby. They will however, still be living in the village and we are happy that we will see them around.

**Do you know...**

**what this means??**

This is our current Mission Statement with our values and ethos and you can find it on the website. This was written four or five years ago, and although it is still relevant and holds true, we want to review it so that it reflects where we are as a school now. As part of our **School Development Plan**, we will be asking all stakeholders (pupils, parents, staff and Governors) to be involved in helping to create a ‘School Charter’, with statements about what values we want to instill and what experiences and opportunities we intend our children to have by the time they leave Hunmanby Primary School. We really want this to be a joint effort for it to have real meaning and more information will follow soon.

## Hunmanby Primary School

**Inspire • Enjoy • Achieve**

*Our happy, caring and inclusive school welcomes all to our proud community of learners*

**Inspire** - We will inspire each other with our creative curriculum and stimulating environment

**Enjoy** - Everyone will enjoy being in the heart of our school community

**Achieve** - We will all strive to achieve our full potential as individuals and a community of learners

### NSPCC Workshops

Year 2, Year 5 and Year 6 had workshops on the **NSPCC Speak Out, Stay Safe** programme throughout Tuesday 16<sup>th</sup> January. Speak out Stay safe is a safeguarding programme for children aged 5- to 11-years-old. It helps children understand:

- abuse in all its forms and how to recognise the signs of abuse
- that abuse is never a child’s fault and they have the right to be safe
- where to get help and the sources of help available to them, including our Childline service.

Although the NSPCC presenter worked with Years 2, 5 and 6, the online assemblies and materials are available for teachers to share with the other classes and for me to use in Assemblies.

Thank you for your continued support,

*Conrad Fox*

Headteacher

### Diary Dates for the Spring Term 2024

Tues 16 <sup>th</sup> Jan	- NSPCC Speak Out Stay Safe programme for Years 2, 5 and 6.
Tues 23 <sup>rd</sup> Jan	- EYFS workshops for parents on ‘Communication’, by Lydia Rands (NHS SALT)
